Марката Raider през годините

Пред Вас е новият каталог на Raider 2026 год., където можете да намерите цялостни решения за Вашия бизнес сред богатия избор от акумулаторни, електрически, бензинови и пневматични машини и консумативи за тях. Този каталог включва над 2700 артикули.

Марката Raider е собствен бранд на Евромасер Импорт - Експорт ООД, познат и утвърден на българския пазар повече от 35 години.

Разнообразието на машини в този бранд, покрива практически целия диапазон дейности - строителство, дървообработване, металообработване, авто и градинска техника. Предлагаме и пълна гама съответни консумативи, съвместими не само с машините с бранд Raider. След успешния старт през 2000 година, марката Raider не е изменила на визията и мисията си, базирани на потребностите и очакванията на потребителите. Съобразно тях сме обновили асортимента си, достигайки по-високо технологично равнище.

Ценностите, на които се гради успехът ни са:

- Технологично качество, отговарящо на високи професионални изисквания, на разумна, достъпна и конкурентна цена;
- Качество, на което клиентите се доверяват;
- Стабилни, открити и честни взаимоотношения с бизнес партньори, производители и дистрибутори;
- Професионална и лична отговорност за поетите рискове и взетите решения.

С новите машини и усъвършенстването на моделите, спечелили Вашето доверие с доказаното си качество, ние добавяме допълнителни ползи и предимства и адаптираме продуктите към пазарната среда, за да продължава Raider да бъде най-доброто предложение при избор на машини за интензивна работа при професионални условия.

След утвърждаването на продуктите в България, Raider успешно разширява дистрибуторската си мрежа и пазарния си дял в редица страни от Централна и Източна Европа.

Raider Brand over the years

Dear Customers and Partners,

Now you have our new Raider product catalogue for 2026, where you can find complete solutions for your business among the wide selection of electric, gasoline and pneumatic equipment and consumables. This catalog includes more than 2700 articles

Raider brand is Euromaster Import - Export Ltd. own brand known and recognized on Bulgarian market more than 35 years. The variety of instruments with this brand covers practically the whole range of activities - construction, woodworking, metalworking, auto- and garden equipment. The variety of machines with this brand covers practically the whole range of activities - construction, woodworking, metalworking,

auto- and garden equipment. We offer also a full range of related accessories, compatible not only with Raider brand machines.

After the successful launch in 2000, Raider brand has not altered its vision and mission based on the needs and expectations of consumers; we have upgraded its range accordingly, reaching a higher level of technology. The values upon which our success was built are:

- Technological quality meeting the highest professional requirements at a reasonable, affordable and competitive price;
- Quality that customers trust;
- Stable, open and honest relationships with business partners, manufacturers and distributors;
- Professional and personal responsibility for the taken risks and decisions.

With the new machines and improvement of models, which earn your trust with proven quality, we add additional benefits and advantages

and adapt our products to the market environment to keep being RAIDER best deal when choosing a machine for intensive use in a professional environment.

With the recognition of the products in Bulgaria, Raider has been successfully expanding its market share and developing its distribution

network in several countries of Central and Eastern Europe.
