

Adapter Impact square 3/8"F to HEX 1/4"F RD

Art. number: **158906**

Barcode: **3800972038035**

✓ Allows a quick and secure connection from a 3/8" square drive (female) to a 1/4" HEX socket (female), making it extremely convenient for use with various types of bits and accessories.

✓ Made of high-quality hardened steel, the adapter ensures excellent resistance to heavy loads and a long service life, even under intensive professional use.

✓ Suitable for professional workshops, construction applications, as well as home repairs and various technical tasks.

✓ Its compact size allows easy operation in confined spaces, while the precision manufacturing ensures a stable and secure fit.
