

Quick Release Bit Holder HEX 1/4" x 150mm TMP

Art. number: **330636**

Barcode: **3800972038516**

✓ The TMP bit holder is a practical and reliable solution for quick bit changes during various assembly and repair tasks

✓ Designed with a HEX 1/4" shank, it provides a secure connection with the tool and prevents slipping during operation

✓ Thanks to the Quick-release mechanism, bit changes are fast, easy, and safe – without the need for additional tools

✓ With a length of 150 mm, the holder ensures better access to hard-to-reach areas and improved comfort during work
