

Pipe extractor 1/2" / 3/4" TMP

Art. number: **339712**

Barcode: **3800972027657**

- ✓ Made of high-quality chrome-vanadium alloy, which ensures that it can handle even the toughest tasks without causing damage to the threads
- ✓ It is used for removing various types of pipes, including copper, PVC and galvanized pipes with diameter from 1/2" or 3/4"
- ✓ Extremely easy to use: it is inserted into the pipe and then rotated counterclockwise with the help of a wrench. This way it removes the broken pipe or fitting without damaging the thread
