

Nut Splitter Set 4x TMP

Art. number: **339714**

Barcode: **3800972052352**

✓ TMP 4-piece nut splitter set for quick and effective removal of rusty, seized, damaged or overtightened nuts.

✓ Set of 4 sizes for working with different nut diameters (from 9 mm to 27 mm), suitable for various automotive, repair and servicing applications.

✓ Operated with a standard wrench or socket using the hexagonal screw of the tool.

✓ The nut splitters allow controlled splitting of the nut when it cannot be removed using conventional methods.

✓ Supplied in a practical plastic case for convenient storage and transportation.
